DETAILED ACTION

1. This office action is in response to the arguments/remarks filed 03/23/2006.
2. Claims 1-23 are pending.
3. Claims 1-23 are allowed.

Allowable Subject Matter

4. Claims 1-23 allowed.
5. The following is an examiner's statement of reasons for allowance:

In regards to claim 1, the cited prior art fails to disclose a plurality of delay profile circuits and timing circuits whose operation is stopped in accordance with a correlation value that is generated by one or more of the delay profile circuits.

In regards to claim 15, the cited prior art fails to disclose generating a stop request signal to stop the operation of at least one of a plurality of delay profile circuits when a largest correlation value generated by one of the plurality of the delay profile circuits is smaller than a threshold.

In regards to claims 19 and 22, the cited prior art fails to disclose, comparing a largest correlation value of a plurality of delay profile circuits with a threshold and stopping the operation of at least one of the delay profile circuits based on the result obtained by the comparison.

In regards to claim 23, the cited prior art fails to disclose, comparing a largest correlation value of a plurality of delay profile circuits with a threshold, stopping the operation of at least one of the delay profile circuits based on the result obtained by the

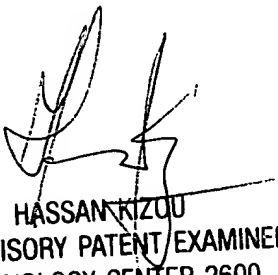

comparison and stopping the operation of one of a plurality of timing circuits based on the result of the comparison.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
